**BLISS IS THE MAN.**

Chas. H. Bliss is the man who advertises Pensacola. He does it right and deserves your support.

We make a special business of selling clothing that is durable, well made, and perfect fitting; it's business from the start with us, and we reach out to buy carefully and sell low; the result is we display our pick of the best, and you find your choice agreeably easy when you get ready to purchase. The man who walks out of our store with a new business suit on his back is ready for business indeed; he looks it, for we fit perfectly; he feels it, for he enjoys the satisfaction that he has paid the right price; his friends and neighbors know it, for he has shown his good judgment by dealing with an institution where reliability is a watchword.
